RE: Approval to Proceed with Work Plan  
Amato Property  
501 South Park Street  
Madison, Wisconsin  
**DNR File Ref:** Lust UST Dane County

Dear Mr. Tramburg:

Mr. Mike Schmoller of the WDNR telephoned me on April 20, 1998, in regards to the Proposed Work Plan. Mike stated that the Work Plan looks fine and approval was given to proceed with the project. Mike's one concern was possible tanks located on site that were used for the dry cleaning process. I told Mike, to the best of my knowledge, there were no tanks on site that were used for dry cleaning chemicals.

I will schedule a geoprobe to be on-site as soon as the schedule allows. If you have any comments or questions regarding this site, please feel free to call me at (608) 831-6563.

Sincerely,
