RE: Workplan and Cost Estimate for Quarterly Ground-Water Monitoring, Former Cedarburg Light and Water Commission Power Plant, W61 N617 Mequon Avenue, Cedarburg, Wisconsin (WDNR FID #246100800) (PECFA Claim #53012-2017-17)

Dear Mr. Feeney:

Based on a confirmation letter to you from Ms. Kaye Vance, Attorney for the City of Cedarburg, I understand that you have approved long-term ground-water quality monitoring as a remedial response at the above referenced site. Enclosed is a workplan and cost estimate for the first year of quarterly ground-water monitoring. Also enclosed is the Petroleum Environmental Cleanup Fund Act Form 4 for this site. Please review this workplan, sign, and return the Form 4 at your earliest opportunity.

Please call if you have any questions or request further information.

Sincerely,
**Northern Environmental
Technologies, Incorporated**
