Subject: Badger Lease & Auto Sales, Inc. – Bid Deferment Request for additional groundwater monitoring. BRRTS #: 03-41-005185, PECFA #: 53214-2601-01

Dear Ms. Michalets,

At the request of the WDNR, a bid deferment request (using Usual & Customary schedule of charges) is being submitted for additional groundwater monitoring at the subject property located at 9601 W. Greenfield Avenue in West Allis, Wisconsin. The cost estimate will include: one round of groundwater monitoring from site monitoring wells (MW-1, -2, -4, -5, -6, -7, & -11) for VOC analysis, water level measurement from MW-3, and report. The cost estimate is as follows:

Groundwater monitoring (1 event)	\$1,149.96
Laboratory Analysis	\$ 212.45
Letter Report	\$1,039.29
Change Order Request	<u>\$ 381.78</u>
Total	\$2,783.48

METCO is requesting a bid deferment in the amount of **\$2,783.48** to complete the above workscope. Upon state and client approval of the proposed workscope and budget, METCO will proceed with the project.

Please note that the analysis on the U&C sheet is for PVOC+Naphthalene as this is only what the PECFA funding will allow, thus the cost difference will be paid by the responsible party as an out-of-pocket expense. We will also be sampling monitoring wells MW-8, -9, -10, PZ-1, & PZ-2 for VOC analysis (as requested by the WDNR) as part of the chlorinated issue and will not be covered by the PECFA funding.

Attached is the U&C Standardized Invoice for the PECFA eligible portion of the workscope as required.

Should you have any questions, comments, or recommendations please contact me at our La Crosse office (608) 781-8879 or email at jasonp@metcohq.com.

Sincerely,

A handwritten signature in black ink, appearing to read "Jason T. Powell". The signature is fluid and cursive, with a long horizontal stroke extending to the left.
