Dear Ms. Nelson,

The Environmental Protection Agency (EPA) has reviewed the ChemDesign Water Line Installation Memo dated and received on January 16, 2024, submitted for this facility. The Memo is hereby approved. Please ensure and document that capped and covered areas in area J impacted by this work are properly graded and restored to match current site conditions after the work has been completed. Please note, this approval only pertains to the modifications of RCRA cover components listed in this memo. A NR 718 Materials Management approval will need to be issued by the Wisconsin Department of Natural Resources (WDNR).

If you have any questions about this review, please contact me via phone at (312) 353-4374 or through email at Kleinberg.Andrew@epa.gov.

Sincerely,

Andrew Kleinberg
