Greg,

Pharmacia recently determined from a search of BRRTS on the Web that RACM submitted a *WDNR NR700 Semi-Annual Report* for the 7/1/2022 - 12/31/2022 reporting period for the Milwaukee Die Casting Co Inc site, blocking Pharmacia's ability to directly upload its semi-annual report for the site. For completeness, the following information is provided by Pharmacia to satisfy its semi-annual reporting requirement:

Activity Name: MILWAUKEE DIE CASTING CO INC
Address: 4132 N HOLTON ST, MILWAUKEE
Reporting Period: 7/1/2022 - 12/31/2022

Submitted On: 1/27/2023

Submitter Role: Consultant

Status: Remediation: Sampling/Monitoring

Reports Submitted to WDNR During Reporting Period:

- *Groundwater Monitoring Progress Report (September 20, 2022)*

Activities Conducted During Reporting Period:

- groundwater sampling (July 2022)
- IDW management

Please contact us with any questions.

Thanks.

Greg
