Subject: FYI: Not Approved Discretionary Project for FY25

Good afternoon,

The EM Division has reviewed RR's state-funded response budget request for the coming fiscal year (FY25) and your project was not approved at this time. Projects that were not approved during this round may be considered in the fall budget memo to the Division subject to available budget at that time. Any sites where there is continuing operation & maintenance work occurring you can continue to do that work.

Projects Not Approved at This Time:

- Minocqua Cleaners

Reach out with any questions you have. Thanks,
