RE: Spill from drums, Sylvan Products Corp.  
CTH E, Phelps, WI

Dear Mr. Eakins:

Please be advised the fencing around the area in question has been put up and secured.

I have been negotiating with four different individuals regarding the remaining work, clean up, etc. that you have requested in your letter of October 11th.

Please note that following through with all that you have asked of me does take time and I will require an extra 30 days from the date of this letter to finish the project.

Cordially,

SYLVAN PRODUCTS CORPORATION
