Mr. Phil Christensen  
P. O. Box 100

Dear Mr. Christensen:

I am sorry for misinterpreting your letter dated July 25, 1994, in which you granted the Department of Natural Resources permission to enter your property located at T42N, R11E, Section 25, to conduct a caged fish study on Military Creek. I incorrectly assumed that this was the C.M. Christensen Company property located at T42N, R11E, Section 35, farther downstream on Military Creek.

The Department of Natural Resources is seeking permission to gain access to Military Creek from the C.M. Christenson Company properties located at T42N, R11E, Section 35. The Department needs to enter the property to remove minnows from the fish cages that we placed in the stream on August 23, 1994. If you object, please contact me by letter or phone at (715)369-8947. We will revisit the site on September 2 and September 22, 1994.

I have also enclosed the article you requested (Source: Guides of the Wisconsin North Woods, 1976). You happen to be one of the guides covered in that publication.

Thank you for your assistance.

Sincerely,

Jim Kreitlow  
Water Resources Planner
