SUBJECT: C.M. Christiansen Co. Case

Dear Mr. Roder:

As we discussed during our phone conversation on January 31, 1995, the Department would like a decision by February 14, 1995 on whether P.C. Christiansen is going to proceed with the hiring of a consultant to perform the investigation at the C.M. Christiansen Co. site. If the decision is made to proceed with the investigation, the Department requests that a Scope of Work for the investigation be submitted to the Department, by the consultant, no later than April 15, 1995.

A summary letter of the Department's and EPA's representatives visit to the site was mailed to P.C. Christiansen and to you on February 1, 1995.

If you have any questions, please contact me at 715-365-8935.

Sincerely,

Michelle DeBrock-Owens
Environmental Enforcement Specialist
