Dear Ms. DeBrock-Owens:

Re: C M Christiansen Co.'s Property,
Phelps, WI

In reply to our telephone conference of January 31, 1995, and the Department's letters dated February 1 and 8, 1995, in the above matter, please be advised that Philip Christiansen has authorized the joint venture of Whitewater Associates and Coleman Engineering to submit a work plan and conduct a remedial investigation in behalf of C M Christiansen Co.

By telephone conference yesterday and copy of this letter, Whitewater/Coleman has been advised of the April 15, 1995 deadline for submission of the work plan. I anticipate that with the amount of thought that has already gone into the project because of the proposal/contract negotiation process that Whitewater/Coleman will have no difficulty complying with the deadline.

If you need further confirmation on this matter or have any questions, please call me at 608-829-3387.

Sincerely,

Raymond M. Roder
