Subject: Erosion control project -Military Creek-CM Christiansen property

Good afternoon, Mr. Alger, Mr. Kriesel, Mr. Duquaine, and Mr. Selby. My name is Carrie Stoltz and I am the new project manager for the CM Christiansen site (BRRTS # 02-64-000068). I reviewed MSA's plans and spoke with Mr. Kriesel today. He answered my questions including assuring me a Chapter 30 permit was issued by the Water Management Program (# 2021-64-02892) for wetland disturbance for recreational development. I have no issues with this proposal.

We are committed to service excellence.

Visit our survey at <http://dnr.wi.gov/customersurvey> to evaluate how I did.
