Cary,

We have received the Site Use Map and Use Restrictions letter dated October 21, 2022 you forwarded on November 8<sup>th</sup>, 2022. However, this letter does not meet the requirements of NR 725.07 general notification requirements as requested in my January 27, 2022 letter. You will need to provide proper notification, including a copy of the cap maintenance plan to Mr. Bretting.

Let me know if you have any questions.

Thanks,

Phil
