Good Morning Bob,

I am the new remediation and redevelopment project manager for the WPSC Green Bay MGP (BRRTS: 02-05-000254) site. I am currently working on reviewing the site file and will be working with Bill Fitzpatrick on the site.

Please direct all future correspondence, reports and submittals concerning the site that would have previously been sent to Tauren Beggs to me. In the meantime, if you would like to reach me, you may call me at (920) 662-5443 or email me at Sarah.Krueger@Wisconsin.gov.

Thank you,
Sarah

We are committed to service excellence.
