Subject: Site Investigation Completion Report - Village of Whitefish Bay Landfill

Joe,

Per our discussions last week Sigma is submitting the Site Investigation Completion Report for the Village of Whitefish Bay former landfill site at 5102 W. Good Hope Road in Milwaukee. The download link provided below will allow you to retrieve the document until May 2021. A hard copy of the report along with a check of \$350 is also sent via US mail. As we discussed the balance of the review fee of \$700 will be covered by the unused fee previously submitted for technical assistance and not used.

Please do not hesitate to call me if you have any questions or would like to discuss this project.

Thank you
