Dear Mr. Lyons,

The Wisconsin Department of Natural Resources ("department") is in receipt of your July 23, 2018, modifications to your February 9, 2018, umpire recommendation regarding the Local Government Unit Cost Recovery Action for the Manitowoc City / Former Newton Tn Gravel Pit Site ("Site").

This letter serves as the department's approval of your February 9, 2018, umpire recommendation, as modified by your letter to the department, dated July 23, 2018. Pursuant to Wis. Stat. § 292.35(6)(a), the department may approve an umpire recommendation as submitted or may request modifications. The department finds that your July 23, 2018, modifications are sufficient to address the department's concerns stated in the department's two letters to the umpire, dated June 14, 2018, and July 19, 2018, and the department hereby approves the recommendation as modified.

Thank you for your service as an umpire under the Wis. Stat. § 292.35 process. If you have any questions or concerns relating to the department's role in the Wis. Stat. § 292.35 cost recovery process, please contact Molly Schmidt at (608) 267-7500. For questions relating to the Site, please contact Tauren Beggs at (920) 662-5178.
