Subject: Changes to Contact Information for Future Correspondence/Outreach

Good afternoon,

Just a few contact information changes to implement in future correspondence as investigation and monitoring sampling continues:

- For Me:
 - My program no longer has office phones, only work cell phones now, so please use my number 920-510-3472. This is my primary number and only number that I have now.
 - You can provide them with my office mailing address below, but also provide my email as electronic format is preferred over paper.
- For Dept. of Health Services (DHS):
 - Nathan Kloczko has been assigned as the new lead DHS contact for this site. Curtis Hedman will still be assisting as a backup, if needed. They will both be attending the June virtual Town Hall event.
 - Nathan's contact info:
Wisconsin Department of Health Services
1 W. Wilson Street, Room 150
Madison, WI 53703
nathan.kloczko@dhs.wisconsin.gov
