Subject: Newell Operating Company - Former Newton Gravel Pit Site Enforcement Update

Good afternoon Katherine,

Thank you once again for submitting the monthly status updates regarding cost sharing agreements between Newell Operating Company (NOC) and the City of Manitowoc (the City) regarding the Manitowoc City / Former Newton Tn Gravel Pit site (the Site). The department is encouraged by the trajectory of progress between NOC and the City with regard to cost sharing agreements for 2020 and beyond at the Site.

As such: the department is requesting that the monthly updates from NOC be reduced to a bimonthly basis (to be submitted every other month on the 15th of each required month), and include the following information:

- Progress toward a finalized agreement of 2020 costs.
- Progress towards the development of an agreed upon schedule for timing of cost recovery for 2021 and beyond costs

Please let me know if you have any questions.

Thank you,
Andrea
