Subject: Former Newton Gravel Pit site (BRRTS # 02-36-000268)

Hi Andrea – I write on behalf of Newell Operating Company (“NOC”) to provide a further status update on negotiations between NOC and the City of Manitowoc (“City”) regarding reimbursement of a share of the City’s 2020 Newton Gravel Pit (the “Site”) related-costs.

In NOC’s April 25, 2021 update, I reported that that the City had just transmitted to NOC a large amount of site data and documents that NOC had requested as part of its review of the City’s claimed 2020 costs. NOC continues to review that information. NOC and the City have a call scheduled for July 8 to further discuss the Site and the City’s costs and will provide a further update after that meeting in its August 15 email to WDNR.

Please feel free to contact me with any questions.

Regards,

Katherine Walton
