Hi Dave,

The email acts as a notice to proceed with the work plan. The DNR does not have any comments for the work proposed in the plan. As you have indicated in the plan, the potential need for additional sampling and investigation in the future will be based on the results from the proposed work.

Regards,

We are committed to service excellence.

Tauren,

Attached is *the Emerging Contaminant Work Plan Update #5 – Up-gradient Potable Well Investigation*.

I have also submitted this document through the WDNR's submittal portal.

Let us know if you have any questions.

Thanks
