Subject: Unity Ground Water (a/k/a Unity Auto Mart) Site, Unity, Wisconsin  
Concurrence with Proposed Listing on National Priorities List

Dear Ms. Stepp:

The State of Wisconsin supports the inclusion of the Unity Ground Water (a/k/a Unity Auto Mart) site, located in the Village of Unity, Clark and Marathon Counties, Wisconsin, on the next proposed National Priorities List (NPL) update. Federally-funded site assessments completed by the Wisconsin Department of Natural Resources have documented that this site poses a significant threat to public health and the environment. These assessments further conclude that this site is eligible to be placed on the NPL.

Thank you for your consideration.

Sincerely,

OFFICE OF GOVERNOR TONY EVERS
