

## CORRESPONDENCE/MEMORANDUM

DATE: 8/11/19  
TO: Christine Haag  
FROM: Matt Thompson  
SUBJECT: Approval Not to Seek Cost Recovery

FILE REF: 02-37-000290

Unity Auto Mart 02-37-000290

After discussing the project with the RR program Regional Supervisor, Dave Rozeboom, the following conclusion was made:

A viable responsible party does not exist for this site. The causer of the contamination is deceased, the owner of the property is Arthur Shaffer. Schaffer requested an ability to pay determination. On 11/7/13, it was determined that Schaffer did not have the funds necessary to undertake the site investigation and cleanup.

Approved,

Christine Haag  
Director, Remediation and Redevelopment Program
