Hi Jeff

Welcome Aboard! Right now EPA is anticipating contract award on February 28th; still in negotiations with the contractor. I will let you know when that happens, and when to expect the UFP-QAPP and workplan for review. Does WDNR accept electronic submittals? Or, are hard copies required, and, if so, how many copies?

Thank you!!

Sincerely,

Melissa Milner, CHMM

Hi Melissa,

I e-mailed to introduce myself, Matt Thompson moved onto a new role at the DNR and I'm the DNR new project manager for the Unity Site. Looking forward to working on the site.

The last correspondence in the file was that EPA was on track to award Unity Auto Mart FI/FS in January 2024. Has there been any movement or updates at this site?

Thank you.

We are committed to service excellence.
