Hi Jeff

We recently received money to fund the RI/FS contract, but it still hasn't been awarded. I'm hopeful that award happens this month.

Sincerely,

Sounds good, thank you!

At this point we accept electronic submittals. We prefer that documents are submitted through the RR submittal portal, which is linked below:

They could also get e-mailed directly to me, but there would be a size limit on the size of the attachment.

Hi Jeff

Welcome Aboard! Right now EPA is anticipating contract award on February 28<sup>th</sup>; still in negotiations with the contractor. I will let you know when that happens, and when to expect the UFP-QAPP and workplan for review. Does WDNR accept electronic submittals? Or, are hard copies required, and, if so, how many copies?

Thank you!!

Sincerely,

Melissa Milner, CHMM

Hi Melissa,

I e-mailing to introduce myself, Matt Thompson moved onto a new role at the DNR and I'm the DNR new project manager for the Unity Site. Looking forward to working on the site.

The last correspondence in the file was that EPA was on track to award Unity Auto Mart FI/FS in January 2024. Has there been any movement or updates at this site?

Thank you.
