Subject: 3rd Ward - Supplemental SI Workplan

Hi John,

As you're probably aware, we have requested a meeting with DNR regarding your letter of 11/15/18 in response to our report submitted on 9/18/18 responding to Case Closure Denial comments for the 3rd Ward site. MY understanding is that a date for that meeting is being finalized but has not been confirmed as yet. In light of that, I am hoping that we might get your approval for modification of the deadline of 2/15/19 for the supplemental SI workplan specified in your letter. Could you please let me know if that would be acceptable?

Please feel free to call if you'd like to discuss.

Thanks,
