Dear Sirs/Madams:

Subject: PCB contamination at the former Ecolab site, 10014 N. Wasaukee Road, Mequon, file reference FID #246046350, BRRTS #0246000340.

I was doing some file inventory work and noticed that this case has not been active since about 2003. Please have your consultant contact me with an update as to what work has been done since that time. Have then send me copies of any reports that have been generated, and have your consultant also submit a brief plan to me as to what work needs to be done to bring this case to closure.

If you have any questions about this letter, please call me at 920-892-8756 extension 3023.

Sincerely

John Feeney
