Subject: **Case Closure - New Linwood Inc., CTH P, Town of Underhill, Oconto Co.
DNR LUST Case #43-000351**

Dear Mr. Teuteberg;

The Department of Natural Resources close out committee has reviewed the investigation and clean-up of contamination at the former New Linwood Inc. facility . Based upon an examination of the available information, the DNR believes that the conditions for site closure have been satisfied and no further investigation or remediation of this contamination is required at this time. The Department has received the proper moitoring well abandonment documentation.

This letter does not constitute "certification" under s. 144.765(2)(a) 3, Statutes. If it is found that contamination on or from the site poses a threat to public health, safety, weifare, or the environment, the DNR may require additional work in the future. We appreciate the cooperation you have shown in this matter. If you have any questions or comments, please call me in Green Bay at (414) 492-5864.

Sincerely,

James Reyburn
Hydrogeologist
