Thank you Chris. Please note that material management may commence as early as Monday, October 24th. We are still working through schedules with excavation contractor, but want to make you aware that it could begin next week to satisfy the advanced notice requirement in the Approval.

We will let you and Carrie know once we have confirmation.

Thank you,

Brian J. Bailey

CAUTION: External Email.

Good Afternoon:

The attached letter conveys the DNR's approval for soil management activities at your proposed redevelopment of the above-named site. I will mail you a hard copy when I'm back in the office tomorrow.

Please contact DNR Project Manager Carrie Stoltz or me if you have any questions.

We are committed to service excellence.
