Subject: FW: PENTA WOOD PRODUCTS SUPERFUND SITE (Facility ID :30005) 2017 Tier II Annual Submission Certified - Wisconsin Hazmat Online Planning and Reporting System ~COR-086165~
Attachments: Penta Wood - Tier II Report - 2017.pdf; Penta Wood - Emergency Planning Notification - 2017.pdf

Phil,

Please find attached a copy of the Tier II Wisconsin 2017 Emergency and Hazardous Chemical Inventory form and the Emergency Planning Notification (EPN) form for the Penta Wood site. The Tier II form reports the chemicals (sodium hydroxide and ferric sulfate) used for the water treatment system that were stored at the site anytime during 2017. The second page of the Tier II form reports that the facility no longer stores chemicals. The EPN form reports that the chemicals were removed on 4/7/2017. By submitting this form, we should not have to submit Tier II reports in the future.

The forms were certified and submitted electronically on the Wisconsin Hazmat Online Planning and Reporting System (WHOPRS) website. The automated confirmation email for the Tier II report is below.

Should you have questions, please do not hesitate to contact me.

Regards,

Tim Ree

WISCONSIN 2017 TIER II EMERGENCY AND HAZARDOUS CHEMICAL INVENTORY

Wisconsin Emergency Management

Facility Name: PENTA WOOD PRODUCTS SUPERFUND SITE Facility ID: 30005
Reporting Period From January 1, 2017 to December 31, 2017

Reporting Exemption Exempt Not Exempt

Reason for Reporting Exemption (See Resources for definitions of Fee/Reporting Exemptions)

- a. This facility is not covered by the OSHA Hazard Communication Act and is not a private or public agency as defined by s. 323.60 (1)(h) and (i). (Please access the ? on the right side to see instructions in the Resources link).
- b. Per OSHA Hazard Communication Act regulations, hazardous chemicals present at this facility are not required to have Material Safety Data Sheets prepared for them or available to the facility because of one or more of the eight reporting exemptions at CFR Chapter 29, Section 1910.1200(b). (Please access the ? on the right side for eight OSHA Reporting Exemptions).
- c. Hazardous chemicals at this facility fall under one or more of the section 311(e) reporting exemptions. (Please access the ? on the right side for five 311(e) Reporting Exemptions).
- d. This is a Retail Gas Station and the higher reporting thresholds for gasoline and diesel fuel apply. (Please access the ? on the right side to see instructions in the Resources link).
- e. This facility NO LONGER has Hazardous Chemicals or Extremely Hazardous Substances at or above a reportable amount under section 311(SDS/Chemical List) or section 312 (annual Tier II Reporting). (Please access the ? on the right side to see instructions in the Resources link).
- f. This facility NEVER HAD Hazardous Chemicals or Extremely Hazardous Substances at or above a reportable amount under section 311(SDS/Chemical List) or section 312 (annual Tier II Reporting). (Please access the ? on the right side to see instructions in the Resources link).
