RE: Approval of Remedial Design for Surface Debris Mitigation and Wetland
Excavation at Penta Wood Products Superfund Site, Daniels, Wisconsin

Dear Mr. Richard,

The Environmental Protection Agency (EPA) received the final Remedial Design (RD) report for surface debris mitigation and wetland excavation at Penta Wood Products Superfund Site dated October 28, 2021. With this letter, EPA grants approval of the final RD report.

If you have any questions regarding this approval, please feel free to contact me at 312-353-9529. Thank you.

Sincerely,

A handwritten signature in blue ink, appearing to read "Celine Wysgalla".
