RE: Approval of Additional Site Investigation Activities, Redi-Quick Cleaners, 9508 W. Greenfield Ave. West Allis, Wisconsin dated December 17, 2002

Dear Mr. Gruichich:

I am writing on behalf of the Remediation and Redevelopment Program, Milwaukee Service Center to grant you approval to the proposed, Additional Site Investigation Activities at the subject site. In approving the workplan, the department notes some deviations from the departments recommendation letter of October 3, 2001.

The department still holds the responsible party (RP) for a full site characterization sampling and analysis of this site irrespective if this is re-imbursable by the DERP program. Therefore, the department's recommendations can always be re-visited in future if need be.

If you have any questions concerning this approval, please give me a call at (414)263-8607.

Sincerely,

Binyoti F. Amungwafor
Hydrogeologist
