RE: Request for Variance on Remediation Action Bids, Redi-Quick Dry Cleaners, West Allis, Wisconsin, BRRTs # 02-41-000676. dated April 4, 2007

Dear Mr. Gruichich:

I am writing on behalf of the Wisconsin Department of Natural Resources (WDNR), Remediation and Redevelopment Program, Milwaukee Service Center, Southeast Region to grant you a variance from ch. NR 169.23(2)(c) that requires an owner or operator to solicit and obtain a minimum of 3 and a maximum of 6 bid proposals for the implementation of a remedy based on the findings of ch. NR 716 site investigation and in compliance with ch. NR 722 and 724.

The Department is aware of the fact that five potential interested and qualified consultants were contacted for a request to submit bids within two weeks on February 16, 2007. A bid submittal date by one week extension was granted at the request of two consultants to March 9, 2007. Despite reasonable attempts to obtain three bids, only two bids were received. You can proceed with the selection of a preferred bid based on the two submitted bids.

If you have any questions concerning this variance, please contact me at (414)263-8607.

Sincerely,

Binyoti F. Amungwafor
