Dear Mr. Gottlieb;

Subject: Lime Kiln Park Landfill, file reference FID #246036780 ERR-ERP

I have reviewed your consultant's determination regarding the adequacy of the landfill cap. I am in agreement with Earth Tech in that the cap is adequate and meets the closure requirements in s. NR500, Wisconsin Administrative Code.

Please direct your consultant to submit a report to me on investigation and monitoring results from the site, including sampling results from private wells listed by Chad Czarowski in his letter of October 28, 1997 to Darrel Hofland.

Please call me at 414-229-0850 if you wish to discuss this matter.

Sincerely,

John Feeney
Wisconsin Department of Natural Resources
