Subject: Landfill Cost-Share Reimbursement - Lime Kiln Landfill
FINAL REIMBURSEMENT

Dear Mr. Hofland:

John Feeney has advised me that no further work related to monitoring well P7B will be required at this time. I have, therefore, approved the final reimbursement of \$8,125.00. This payment results in the total reimbursement to the Village of Grafton of \$400,000.00. This funding was provided under the "Landfill Pilot Program" authorized by former Secretary George Meyer. The reimbursed funds are for landfill remediation expenses related to natural attenuation well construction and monitoring at the site.

Please give me a call if you have any questions concerning this at 608-267-2465.

Sincerely,

Marie Stewart, Program Coordinator
Bureau for Remediation & Redevelopment
