Dear Mr. Schaefer:

RE: Town of Wayne Resin Clean-up

On November 25, 1980 staff members from this office conducted a final clean-up inspection of the Freeman resin dump located on Mr. Lloyd Martin's property, Town of Wayne, Washington County. The inspection confirmed that all visible drums and resin contaminated earth had been removed from the site, satisfying this department's request.

Thank you for your concern and cooperation in dealing with this matter.

Sincerely,

James R. Reyburn  
Hazardous Waste Specialist
