MEMORANDUM

Date: June 26, 1990

Subject: Revised Laboratory Quality Assurance Project Plan (LQAPP) for the RCRA Facility Investigation (RFI) at the Freeman Chemical Corporation Facility in Saukville, Wisconsin

From: *Gordon Jones*
Gordon Jones, Acting Chief
Quality Assurance Section

To: Robert Smith, Project Coordinator
RCRA Enforcement Branch

At the time of our comments of June 7, 1990, we did not have QAPjP pages 4-1 and 4-2. We received these pages via FAX on June 8, 1990, and find that they adequately address our comments II.A., II.B., II.C. and III.D of May 8, 1990. As a result of this determination, our comment I. of June 7, 1990, is also adequately addressed. All of our other comments of the June 7, 1990, memo have not yet been resolved.

If there are any questions or clarifications required concerning this memo, please contact George Schupp, of my staff, at (312) 886-6221.
