SUBJECT: Letter of Credit
Cook Composites & Polymers Company
WID 980615439

Dear Mr. Moreno:

Cook Composites & Polymers Company (CCP) currently has Irrevocable Letter of Credit for Corrective Action No. IC70466 issued by Societe Generale in place with the Department. The letter of credit was issued to demonstrate financial responsibility for corrective action costs at CCP's hazardous waste facility in Saukville, Wisconsin. The letter of credit is in the amount of \$255,000. The amount of the current cost estimates submitted for the corrective action work at this facility is \$149,000. Since this amount is less than the current letter of credit, the Department hereby authorizes you to reduce the amount of Irrevocable Letter of Credit for Corrective Action No. IC70466 to \$149,000.

If you have any questions regarding this matter, please feel free to contact Colleen Hellenbrand at (608) 267-7515.

Sincerely,

Paul P. Didier, P.E., Director
Bureau of Waste Management
