I have reserved Rm. 231, SER Hdqtrs. at 2:00 on Thurs. March 23 for our conference call with Mark Gordon on Cook. Issues include:

- 1) process to assure that Cook complies with RCRA corrective action requirements if HW license is withdrawn; and
- 2) review of requirements in John Feeney's corrective action letter (John, please bring the letter to the meeting and fax a copy to Mark)

- investigation
  - extent of contamination
  - initially federal lead site  
when back in force in regard to investgn
  - modified plan to incorporate state lead CA
  - churchyard property
  - investgn approval
- options
- existing plan approval
  - could issue through <sup>CA</sup> plan approval or order
  - or thru 700 mechanism.
