Subject: Financial Responsibility
Cook Composites and Polymers Company (CCP)
WID 980615439

Dear Mr. Gromacki:

This letter acknowledges receipt of three letter of credit amendments. The letters of credit were submitted to demonstrate financial responsibility for closure and corrective action for CCP's existing hazardous waste incinerator and storage facility, and the former hazardous waste incinerator located in Saukville, Wisconsin.

The letter of credit amendments are in the following amounts:

Facility	Letter of Credit Number	Letter of Credit Amount
Existing Incinerator & Storage Facility	S300574	\$113,532
Old Incinerator	S300593	\$91,557
Corrective Action	S300613	\$80,228

The Department has reviewed the letter of credit amendments and determined that they meet the requirements of s. NR 685.07, Wis. Adm. Code. They are acceptable as proof of financial responsibility for closure and corrective action coverage.

If you have any questions regarding this matter, please contact me at 608-267-7515.

Sincerely,

Colleen D. Hellenbrand, Chief
Program Services Section
Bureau of Waste Management
