On behalf of Retia USA LLC, we would like to inform you that we are in receipt of the Notice of Non-Compliance dated March 5, 2020, and are actively working on scoping a site investigation and preparing a work plan related to PFAS. Please note, while your letter dated March 5, 2020 provided us two (2) weeks to prepare a Work Plan (due March 19, 2020), the letter was not received by representatives of Retia or myself until March 11, 2020, nearly one (1) week into the allowed two (2) preparation period. While we will do everything in our power to respond by March 19, I wanted to take this opportunity to indicate how a delay in USPS delivery impacts the process.

Thanks,

Bob
