Subject: Drilling on the Former Babcock and Wilcox Property (Eastern Undeveloped Area), 4101 W Burnham St, West Milwaukee, BRRS #02-41-000794 & 06-41-197753

Hi Brandon,

The DNR understands some concrete is being encountered during drilling activities at this site and that your driller requests to use drilling mud. This is acceptable but the DNR requests any cuttings/residuals be drummed up and properly disposed of.

Please contact me if you have any questions.

Thank you,

David
