Re: Oconomowoc Electroplating Superfund Site, Ashippun, WI
Notification of Sixth Five-Year Review

Dear Ms. Saliars:

This letter is to notify you that U.S. EPA Region V is beginning the sixth five-year review process for the Oconomowoc Electroplating Superfund Site in Ashippun, WI. This statutory review will be conducted according to the requirements of Section 121 of CERCLA, as amended by the Superfund Amendments and Reauthorization Act of 1986 (SARA).

The sixth five-year review report is due May 2022. We are providing this notification to allow for necessary coordination activities between EPA, WDNR and key parties. Necessary activities include notifying the public of the Five-Year Review process and accepting public input, gathering data to summarize performance of the cleanup, arranging for site visits, and develop any pertinent recommendations, etc. I will contact you soon to discuss scheduling a site visit.

If you have any questions, please feel free to contact me at 312-353-6324 or via email at murray.williamj@epa.gov.

Sincerely,

A handwritten signature in blue ink that reads "W. J. Murray".

William Murray
Remedial Project Manager
U.S. EPA Region V – Chicago
