BJ –

Thanks for the notice. There will not be a first quarter report this year. We switched consultants after the data was uploaded to GEMS. The first quarter data will be included in the 2<sup>nd</sup> quarter report. The second quarter samples have been collected, but we don't have the data, yet. I'll let you know when you can expect the report.

We talked about this, but to be official...

I took over this case from Resty. As a reminder, I don't personally need paper copies. You still need to submit paper to waste/GEMS, but not to RR. That may change if the case ever moves to someone else.

It seems like the 1<sup>st</sup> quarter 2019 report is about due. Any news on that? I see that the data came through.

Hope all's well with you. Take care,  
BJ
