

FID NUMBER 2417 22800

BRRTS Number 02-41-000954

Site Name Ⓟ Zydeck Residence

Reviewer Bill Evans

- BRRTS tracking is up to date or you have updated it
- BRRTS Contact information in the WHO Module is up to date or you have updated it

Action to be taken:

- RP Letter (2)
- Transfer to Commerce (76) - Site is classified as a Low or Medium Risk
- Push Letter (200)
- Fee Letter (99) - Requesting: that a GIS package be prepared and appropriate fees paid
 - GIS Package
 - Fees _____
 - Other: _____
- Other Actions or file notes - (provide comments below)
- No Action Required - (provide detailed rationale below)

→ Move from ERP-02 module to Spills - 04 Module and close out.

• The Dept. would not require further remedial action for this situation at this time.

Based on a review of the file information, it was determined that the appropriate way to track this site was to keep it as an ERP site due to the records available in the file. The site was closed as of 5/2/2011.

house heating oil - pumped from basement sump - 1994.
