Dear Mr McKnight:

My Name is Stanley Skrzybek - I am writing you  
ABOUT THE VACANT LAND IN MANTELLO WISCONSIN.

I DO NOT HAVE ANY MONEY TO CLEAN UP THE  
LAND IN QUESTION, I AM 83 YRS OLD, ON A FIXED INCOME.  
I HAVE NEVER POLLUTED THE LAND, NO BUILDING WNS  
EVER PUT UP THERE, AND DO NOT UNDERSTAND HOW  
IT COULD BE POLLUTED? IF SOME ONE ELSE IS PUTTING  
SOMETHING IN THERE OR IF THE OIL FROM THE HIGHWAY  
IS RUNNING IN THERE I AM TOO FAR AWAY TO SEE WHATS  
GOING ON. BECAUSE OF ALL THE HEALTH PROBLEMS I WAS  
NOT ABLE TO WRITE TO YOU.  
THANK YOU FOR YOUR HELP.

Sincerely  
Stanley Skrzybek

THE OWNER AND SOLD IT TO ME, IN 1992

SUBJECT: NOTICE OF NONCOMPLIANCE  
Skrzypek Property, CTH B & STH 23, Montello WI  
**WDNR BRR'S ID#02-39-001676**

Dear Mr. Stanley and Mr. Charles Skrzypek:

The Wisconsin Department of Natural Resources (WDNR) was notified on October 6, 1995 that petroleum contamination was discovered at the above-referenced location. In a letter October 18, 1998 the Department informed you of your legal responsibilities to address the situation. Because you did not respond to that letter, you were sent another letter on April 1, 1998, asking you to notify us of your intentions regarding cleanup at this site. The Department has yet to receive any information describing investigation or remediation at this site. Your letter of April 19, 1998 does not fulfill this requirement. A certified Notice of Noncompliance was sent January 4, 1999 and was not claimed.

If cleanup activities have not been implemented, you must hire an environmental consultant by March 22, 1999, and have them submit written verification to this office that they have been hired to address this problem. By April 5, 1999, your consultant must submit a site investigation work plan.

If investigation and/or remediation has occurred, you must provide the Department with documentation describing these activities by March 22, 1999.

If this situation is not adequately addressed this case will be referred for enforcement action and a Notice of Violation issued.

All reports and correspondence should be sent to the WDNR at the following address:

Wisconsin Department of Natural Resources  
Attn: Kevin McKnight  
905 Bayshore Drive, Box 2565  
Oshkosh, WI 54903

All submittals must be identified with the WDNR BRR CASE ID number; unless otherwise requested, please send only one copy of all submittals.

The Department will enforce Wisconsin's cleanup laws and we will cooperate with you in any way that we can within the limits of our own responsibilities. However, if you fail to comply with the requirements listed in this letter, the next step in the process will likely be a Notice of Violation and enforcement conference. Your cooperation in this matter would be appreciated.

Please do not hesitate to contact me at (920) 424-7890 if you have any questions about this letter.

Sincerely,

Kevin D. McKnight
