Skrzypek Property, Intersection of CTH B & STH 23, City of Montello, Wisconsin
WDNR BRRTS #: 02-39-001676

Dear Ms. Campbell:

I am writing to request a resolution for the deed associated with the above referenced environmental repair case. On May 6, 2019, the Wisconsin Department of Natural Resources (DNR) sent an email to Marquette County's attorney, Natalie Bussan, providing her with the site's background and requirements for cleanup as she had requested. The DNR received a response from Ms. Bussan on May 7, 2019, stating that the County would review the site background and decide whether the deed for the property was properly rescinded from Properties LLC, or if Properties LLC will remain owner of the property.

The DNR would appreciate a decision in writing from you or your attorney within 60 days. If a decision is not submitted to the DNR by **July 19, 2019**, a responsible party (RP) letter will be issued to Marquette County.

Your cooperation and timely response to this matter is appreciated. If you have any questions or comments, please feel free to contact me in Green Bay, WI via phone at 920-662-5424, or email at josie.schultz@wisconsin.gov.

Sincerely,
