2 Fuel Oil Spill at
Rapid Service Oil Co
Roberts, Wisconsin 54023

Mr. Perry Manor
Wisconsin Department of Natural Resources
P.O. Box 7921
Madison, Wisconsin 53717

Dear Sir:

This will confirm our telephone conversation today regarding a petroleum product spill at the bulk plant operated by the Rapid Service Oil Co., Roberts, Wisconsin.

A transport truck operated by our company overfilled the # 2 fuel oil storage tank causing the above spill. This occurred Thursday night about 10:30 PM., October 19, 1978. We do not have an exact figure on the loss but believe it to be several hundred gallons.

In our conversation today you mentioned you would have a local representative visit the site. You can be assured that our company and the Rapid Service Oil Company will work very closely with your people to clear up the matter to your satisfaction.

Yours truly,

M.S. Lidholm
