Subject: Potential Claim Notification for One Hour Martinizing
at N89 W16744-46 Appleton Avenue in Menomonee Falls

Dear Mr. Bence:

The purpose of this letter is to acknowledge the receipt of your potential claim notification for the Dry Cleaners Environmental Response Program. As required by State Statute 292.65(4)(d), I am advising you that, based on the preliminary information you provided on the Potential Claim Notification form, I estimate that you are eligible to apply to the program for reimbursement of your cleanup costs. I will need to confirm by documentation, the date that the dry cleaning machine was removed from the site because with a previous application it was stated that dry cleaning was processed on site until June of 2000. The final decision will be made based on the documentation you provide with your payment reimbursement request or sooner. I will also have to confirm with the Department of Revenue that all license fees are paid for this site. Please contact Sue Nachreiner at the Department of Revenue (DOR) at 608-261-0793 to help clear up dry cleaner license fees that seem to be owed.

Complete information and details of the dry-cleaning program are available on-line at <http://www.dnr.state.wi.us/org/aw/rr/financial/dryclean.html>. Please call me (608)-266-1967 if you have any questions about the program or the reimbursement process. Also at this time there are funds available for average requests.

Please keep in close contact with your DNR Project Manager, **Gina Keenan** at **414-263-8589**, throughout the entire clean up process.

Sincerely,

Jeffrey Soellner
