Hi Brian,

The letter was dated June 10, so usually we set the 60 day timeline from that date. I can push the date back an extra 30 days, to give you until September 10<sup>th</sup> to submit an SIWP.

Please feel free to give me a call if you'd like to discuss further.

Thanks,  
Josie

Joise,

The letter asks for schedule within 60 days; I don't see a deadline for submitting a work plan. At any rate, yes we will need more time. I will provide an update ASAP.

Hi Brian,

Thank you for the update. Will you be unable to meet the 60 day deadline (August 9) for submittal of the workplan?

Josie,

We are working with stakeholders to secure funding for the additional work requested in the June 10, 2021 letter. At this point we don't have a firm timeframe, but we hope to be collecting data before the snow flies.

We will provide an update when the work schedule is confirmed.
