**Subject: Request for Status Update** Former Allwaste Recycling, 12305 Silver Spring Road, Milwaukee  
**FID #241486630, WDNR #02-41-396284**

To Whom It May Concern:

On January 7, 2003, the Wisconsin Department of Natural Resources (DNR) sent a letter informing you contamination had been detected at the above-referenced property. On January 28, 2003, Mr. Larry Fox contacted the DNR and reported that he had informed you that the reported contamination needed to be investigated.

As the RP for this property, you have certain legal responsibilities, as outlined in Section 292.11(3), Wisconsin Stats., also known as the hazardous substances spills law. Section 292.11(3) states:

- **RESPONSIBILITY.** A person who possesses or controls a hazardous substance which is discharged or who causes the discharge of a hazardous substance shall take the actions necessary to restore the environment to the extent practicable and minimize the harmful effects from the discharge to the air, lands or waters of the State.

In order to move to DNR case closure, please have your consultant prepare and submit documentation on the status of this case. If you do not have a consultant, please notify the department in writing within the next thirty days as to your intentions to submit the requested documentation. **A lack of response to this letter may result in the initiation of formal enforcement action.**

Forward the current status of the case, and all future correspondence to:

Victoria Stovall  
WI DNR SER
