SUBJECT: Budget approval for additional investigation at Miller's Liquor  
2401 University Avenue, Madison  
BRRTS # 02-13-415322

Dear Mrs. Miller:

Seymour Environmental submitted a budget request for proposed additional site investigation work on behalf of Miller's Liquor LLC on May 15, 2019. Your budget request is approved. Please proceed with the proposed work without delay and according to the schedule on page 3 of the submittal.

The proposed work includes passive soil vapor sampling to investigate the utility corridor, additional sub-slab vapor sampling, and preparation of an interim remedial action options report.

Cost approved for the additional investigation work is \$24,305.

My October 3, 2018 letter contained a math error for the total costs approved amount. The total costs approved for this site, including costs approved today, is \$133,651.50.

Please be aware that you are required to comply with all applicable statutes and administrative rules including the NR 700 series, Wisconsin Administrative Code, and hazardous waste management and wastewater discharge rules.

This approval does not guarantee the reimbursement of costs under the Dry Cleaner Environmental Response Program. Final determination regarding the eligibility of costs for reimbursement will be made at the time of claim review.
